### APARTMENT IN MIJAS

Really nicely presented 2-bedroom, one bathroom first floor apartment in the popular Rancho 'B' development in Miraflores with 2 community swimming pools. Boasting fantastic views towards the immaculate gardens & glorious views of the Mediterranean. On site bar & cafe complete this as a true holiday destination to be envied. with a South-westerly orientation giving full on sunshine from mid morning has the bonus of glass curtains already installed to enjoy the terrace all year round. Please note although a few steps to the apartment & no lift this apartment is well worth viewing we have keys!
