LAND IN LA CALA GOLF

Imagine a canvas of over 11,000 square metres, where the only thing more expansive than the land itself are the views that stretch from the rolling green fairways at your feet to the shimmering Mediterranean Sea on the horizon. This isn't just a plot; it's a premier position on La Cala Golf, a place where your dream of a perfect Costa del Sol lifestyle begins. Here, you are in the front row to nature's grand spectacle. Waking up to the serene, manicured greens of the golf course seamlessly gives way to the wild, beautiful tapestry of a protected forest at your back. This unique frontline setting offers both the prestige of a world-class resort and the tranquility of a private natural retreat. The south-east sun greets you in the morning and bathes the land in warmth throughout the day, creating a radiant and inviting atmosphere. From this privileged vantage point, your gaze will wander over a truly panoramic masterpiece—across the emerald golf valleys, up the rugged mountain slopes, and out to the endless blue of the sea. This is a rare opportunity to create a legacy home, a sanctuary designed around your life. With such immense space, you have the freedom to craft a residence with sprawling terraces, a stunning infinity pool that appears to merge with the landscape, and hidden garden nooks, all while enjoying complete privacy. It's a location that offers the best of everything: the peace of the forest, the activity of the golf course, and the charm of local town life just a short stroll away. This plot is more than an address; it's a promise of the life you've been imagining.
