VILLA IN FUENGIROLA

Unique opportunity! Two independent homes on a single property with a 500 m² plot and 206 m² of living space. A highly versatile property, ideal for adapting to different needs: extended family home, guest house, holiday rental, or professional space. Each home has its own entrance, offering privacy and multiple usage options. The property is surrounded by a large garden and patio, perfect for creating outdoor leisure or relaxation areas. The main home has two entrances and several parking spaces, two of them covered. Inside, it offers three bedrooms, two bathrooms, a separate kitchen, a large living room, and a glazed terrace with sea views, ideal for year-round enjoyment. The second home, also very bright thanks to the property's southern exposure, is perfect as an independent apartment, workspace, or rental investment. Located in a quiet residential area, this property combines spaciousness, comfort, and enormous potential for renovation and personalization. An opportunity with countless possibilities!
